Description	With both her Sire and Dam winning Supreme Championships, Silhouette was off to a good start. She is a stunning female and stands out in the paddock, She has been shown with great results both in fleece and breed. Her fleece is highly lustrous, dense and consistent over her frame - everything you would expect in a female of this quality. A true suri phenotype with heavy bone and excellent conformation. Probably our best white suri bred to date. She has proven herself as a mother giving us a excellent male cria this year
